Parent Orientation Programme – 14/06/2020

Grades 1 & 2

Discipline:

"Discipline is the bridge between goals and success".

Early Rise is a best quality to keep everybody fit and fine. Students should get back to the routine of rising early. Having healthy food at the right time and practicing simple exercises helps students to stay active indoors during the lockdown period.

Think Tank:

Taking into consideration the current situation the curriculum has been revised. A team of experts are deputed to accomplish this task with a keen eye on including the core components of the syllabus.

All supportive activities are also coined in order to make this digital transaction effective and interesting for the learners.

Offline Classes Schedule:

➢ 3 days of offline sessions.

 (Monday, Wednesday, Friday)

➢ Allocations: Each day 2 academic subject based learning content, 1 hands on experience activity and simple writing tasks.

➢ Subjects:
  English, Math, Tamil, Hindi, EVS(for grade 1 and 2 alone)

- ➢ Ma'am and Me: Class Teachers and a small group of students in rotation will get connected through video sessions and will be discussing about interesting facts, singing rhymes together and friends can see each other and share their general thoughts and ideas for 30 minutes.
  The completed tasks can also be shown in the video sessions to the teachers.
- ➢ Download the CVMIS App from PlayStore and login using the UID which is available in the student's ID Card. Kindly contact the school admin number for further support +91 99434 34444.
- ➢ GK (Grades 1 and 2): The PDF format of GK book will be uploaded in the school app every month and an online assessment will be conducted at the end of every month.
- ➢ Computer Science: Is temporarily suspended as it requires more of practical sessions.
- ➢ Olympiad(Grades 1 and 2): Every Friday 3 online links for 3 Olympiad subjects English, Math and Science will be posted in the school app. Students can participate in the online test and the results will be available immediately. Solutions for the same will be posted on Saturday in the School App.
- ➢ Assessments: Once in a month teachers will call the students in a periodic cycle and will orally assess the students to analyze the understanding of the student.
- ➢ Books and Notebooks are available in the school. Parents are requested to collect it from the school to help children understand the offline sessions better. If you want to avail the "Door Delivery" option, kindly call the school admin number and register before Tuesday (16/06/2020).
- ➢ Attendance: All students are requested to complete all the offline sessions without fail. If there are any unavoidable reasons, kindly keep the class teacher informed well in advance.
- ➢ Monthly Syllabus: The monthly syllabus of what will be taught in that particular month will be posted in the School App.
- ➢ Discipline and learning:
  Completing the activities on time in a daily basis helps the students stay academically fit and fine.

Parents are requested to spend quality time with the students guiding them to complete the offline activities. Creating an educative environment will help the students stay focused throughout the sessions.

➢ Doubt Clarifications: Students can ask doubts during the Ma'am and Me session.

➢ Meeting ID & Password for Ma'am and Me: The Meeting ID and password and the student list for that particular session will be posted by the teachers in the school app.

➢ Security: Parental Control feature has to be turned on in all the gadgets that the students are using. This feature is available in the settings folder of the smart device.

  If possible, students can be allowed to see the offline sessions by pairing / screen sharing the smart phone with the smart TVs.

  If possible, students can be provided with a sim-free smartphone/i-pad/tab in order to keep them free from radiations.

➢ Speak to Us: Parents can always write to us through the messaging folder available in the school app.

➢ Technical Support: If you have any technical issues, contact our Technical Support Team through +918508056080 and +919843984444 between 2pm and 5pm as they will be supporting the online classes in the morning.

Thankyou.
