### Parent Orientation Programme – 13/06/2020

Discipline:

“Discipline is the bridge between goals and success”.

Early Rise is a best quality to keep everybody fit and fine. Students should get back to the routine of rising early. Having healthy food at the right time and practicing simple exercises helps students to stay active indoors during the lockdown period.

Think Tank:

Taking into consideration the current situation the curriculum has been revised. A team of experts are deputed to accomplish this task with a keen eye on including the core components of the syllabus.

All supportive activities are also coined in order to make this digital transaction effective and interesting for the learners.

Online Classes Schedule:

- 4 days of online sessions with 3 sessions per day.  
(Monday, Tuesday, Thursday, Friday)
- Timings: 45 minutes sessions with 30 minutes interval between the sessions  
9:00am to 9:45am, 10:15am to 11:00am, 11:30am to 12:15noon
- Subjects:  
English, Math, Tamil, Hindi, EVS(for grade 3),  
Science(for grades 4&5) and Social Science (for grades 4&5)
- Wednesday: Notes will be uploaded in CVMIS App. Children should be encouraged to write the notes in their notebooks.

CONNECT: Class Teachers and students will be discussing about interesting facts and friends can see each other and share their general thoughts and ideas for 45 minutes.

- Download the CVMIS App from PlayStore and login using the UID which is available in the student's ID Card. Kindly contact the school admin number for further support +91 99434 34444.
- GK: The PDF format of GK book will be uploaded in the school app every month and an online assessment will be conducted at the end of every month.
- Computer Science & Spoken English : Are temporarily suspended as they require more of practical sessions.
- Olympiad: Every Friday 3 online links for 3 Olympiad subjects English, Math and Science will be posted in the school app. Students can participate in the online test and the results will be available immediately. Solutions for the same will be posted on Saturday in the School App.
- Home Work: Daily one home work will be assigned to the students. HW details will be sent through sms and will be uploaded in the school app as well.
- Assessments: Weekly online tests will be conducted for one subject per week to check the understanding of the students. Link will be posted in the App.
- Books and Notebooks are available in the school. Parents are requested to collect it from the school to help children understand the online sessions better. If you want to avail the "Door Delivery" option, kindly call the school admin number and register before Tuesday (16/06/2020).
- Attendance: All students are requested to attend all the online sessions without fail. If there are any unavoidable reasons, kindly keep the class teacher informed well in advance so that the Technical Support Team can try to record that particular session and the same would be shared with the parent.
- Monthly Syllabus: The monthly syllabus of what will be taught in that particular month will be posted in the School App.

➤ Discipline during the sessions:

Students are requested to login on time for the sessions.

Attending the sessions in formal attire with all the required writing materials, sitting in a sound free room with minimal disturbances, sitting erect and taking notes during the session will help students excel in academics.

Parents are requested to accompany the students only if required. Students may not concentrate in the presence of others. Creating an educative environment will help the students stay focused throughout the sessions.

➤ Doubt Clarifications: Students can ask doubts after the teacher finishes explaining the content. Raising hands before asking doubts has to be practiced. Also students should practice unmute and responding to the teacher when the teacher asks any question. Turning the video on during the session is not permitted.

➤ Timetable: A fixed timetable for the sessions, home task and weekly tests will be uploaded in the app.

➤ Meeting ID & Password: In order to avoid confusions, the same meeting ID and password will be provided for all the online sessions.

➤ Security: Parental Control feature has to be turned on in all the gadgets that the students are using. This feature is available in the settings folder of the smart device.

If possible, students can be allowed to see the online sessions by pairing / screen sharing the smart phone with the smart TVs.

If possible, students can be provided with a sim-free smartphone/i-pad/tab in order to keep them free from radiations.

➤ Speak to Us: Parents can always write to us through the messaging folder available in the school app.

➤ Technical Support: If you have any technical issues, contact our Technical Support Team through +918508056080 and +919843984444 between 2pm and 5pm as they will be supporting the online classes in the morning.

Thankyou.
